Continue from account registration or navigate to Devices > Register Device.

Enter the device’s serial number which can be found on the back of the device or on the box.

Tick the checkbox for installation and click register to activate the device.

STEP 4

Track Your Device

Click on the globe icon with your username to see your device’s location on the map.

You can also download our Android or iOS App. Just scan the QR code below.

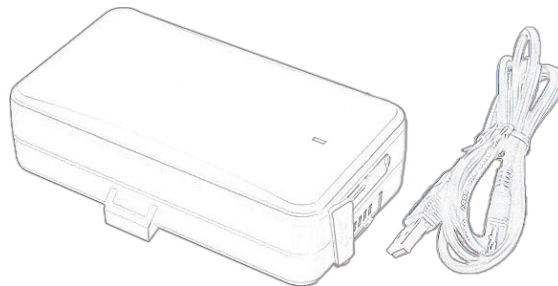

INFO

Charge Your Device

Open the charging cover and plug the charging cable into the device’s Micro USB port.

(Wall adapter not included)

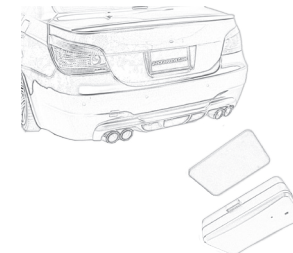

INFO CONT.

Mount Your Device

Clean the mounting surface.

Mount the device on that location with its internal magnets.

If your preferred mounting area is not magnetic: peel the red tape from the magnetic mounting plate and mount on desired location *(press firmly to ensure the adhesive holds)*.
